### Not Only in Barre

Similar Cases Occur Daily in This Vicinity

Not only here in Barre, but in our neighboring towns, the same good story is heard. An encouraging instance from West Topsham is given here, and will be read by us with great interest.

Mrs. Hattie F. Dodge, West Topsham, Vt., says:

"When I got up in the morning, my back seemed as if it would break in two. The misery I endured at times I can only describe by saying that I felt as if a rope was bound tight across my kidneys, causing almost unbearable pain. I could not rest comfortably in any position. I tossed and turned at night and got up in the morning feeling worn out. Hearing about the wonderful cures Doan's Kidney Pills were making in cases of kidney trouble, I tried them. I found they acted directly on my kidneys and soon made them normal. I am pleased to confirm the statement I gave regarding Doan's Kidney Pills some years ago. The cure they made has been permanent."

For sale by all dealers. Price, 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

Shampoo the hair every two weeks with pure soap and water, or a good, ready-prepared shampoo.

Use Parisian Sage every day, rubbing thoroughly into the scalp. This delightful and invigorating hair tonic, which the Red Cross Pharmacy sells in a large 50-cent bottle, is guaranteed to quickly abolish dandruff—to stop hair from falling and scalp from itching or money refunded.

To put life and beauty into dull, dry or faded hair and make it soft and fluffy, surely use Parisian Sage—it is one of the quickest acting hair tonics known.—Adv.

## Something New for Barre

We respectfully announce that we have taken the distribution of

**Brown's Quick-Fire Charcoal**

for this section of country. While this is a new product to many here in Vermont, it is in almost universal use in all sizeable places south and west of us, and we believe will be a welcome addition here. You will find it handy to use, always ready, always sure, quick, safe and the cheapest for kindling coal, coke or wood fires.

Ladies, you won't have to depend on the menfolk to keep you supplied or wield the axe when you discover you are out of kindling at critical times, any more; you can also avoid the use of kerosene with consequent danger to person and property. Keep a sack of our charcoal handy by; simply put some paper in stove, shake a layer of charcoal from sack, put on a little coal and light. Don't keep fire from day to day in kitchen range. You get vastly better results from new fire and now you will find it cheapest. Please try it! Only 13c per sack, or a for 25c.

### "CASCARETS" FIX

SOUR STOMACHS

Gently Move Acids, Gases and Clogged-Up Waste from Stomach, Liver and Bowels While You Sleep.

Get a 10-cent box now.

That awful sourness, belching of acid and foul gases; that pain in the pit of the stomach, the heartburn, nervousness, nausea, bloating after eating, dizziness and sick headache, means a disordered stomach, which cannot be regulated until you remove the cause. It isn't your stomach's fault. Your stomach is as good as any.

Try Cascarets; they immediately cleanse the stomach, remove the sour, undigested and fermenting food and foul gases; take the excess bile from the liver and carry off the constipated waste matter and poison from the bowels. Then your stomach trouble is ended. A Cascaret to-night will straighten you out by morning—a 10-cent box from any drug store will keep your stomach sweet; liver and bowels regular for months. Don't forget the children—their little insides need a good, gentle cleansing, too.—Adv.
